COMPANY NEWS

Recently, one of our nurses, Maria De La Cruz, made a special trip with one of our Make A Wish patients. After spending the day with the patient at Disney World, the foundation asked if she would accompany them on their drive back to Dallas, Texas, that weekend. Without hesitation Maria said she would be willing to help. They traveled for 18 hours on Saturday and 12 hours on Sunday. Maria then flew back to Orlando on Monday. She did this with no complaints and out of the kindness of her heart.

Thank you for your excellent care Maria!

We are excited to announce the promotion of Natasha Rivero as our new HR Generalist! Natasha is always eager to step in and get things done. She was paramount in the launch of ADP and we all look forward to seeing her continued growth.

COMPANY NEWS

Our office has noticed an increase in cold and respiratory symptoms. Here are some helpful tips to keep yourself and others healthy.

- Wash your hands
- Avoid close contact with others who are sick
- Cover your mouth and nose when coughing or sneezing
- Avoid touching your eyes, nose, and mouth
- Don't smoke and avoid secondhand smoke
- Stay home from work and school when you or your children are sick

Please remember to notify the office of patient and household illness. We want to work with assigned caregivers to ensure everyone stays safe and healthy.

We are now offering free CPR classes for our caregivers!

If you are interested in attending one of the classes, please reach out to Natasha through our main phone line at 407-270-5501.
