Our annual patient and employee surveys have been sent out. Please take a moment to submit yours so that we can address any questions or needs that you have. These surveys are a great way for us to find places of improvement. It always our priority to make sure our patients and employees are as happy as possible!

Recently some of us attended the Give Kids the World Holiday Soiree to show support on behalf of Atlantic Care Services. The event helps to raise proceeds through a silent auction that go towards making wishes come true for critically ill children and their families.
