# ATLANTIC CARE SERVICES

*March*

## NEWSLETTER

One of our families wanted to give a special shoutout to nurse Yolanda for the incredible care she has provided for Kamila.

Yolanda has done a wonderful job at increasing Kamila's independence, making it easier and more fun for the whole family to go out together. Thank you for all your hard work Yolanda!

We are putting together an Atlantic Care Services team to participate in the Walk for Wishes event supporting Make A Wish. It is a 1 mile lap around Lake Eola on March 28th starting at 5pm. Complimentary food and drinks will be provided by local sponsors and pets are welcome. If you would like to join our team please visit this link to sign up!

Friendly reminder for our caregivers to please submit any time off at least 2-3 weeks before your first day off. If you will be using PTO it needs to be submitted through ADP and you will receive a notification once it has been approved. If you are not using PTO, you will need to report time off by calling the main line at 407 - 270 - 5501.

In an effort for our internal team to get to know our patients better we have begun conducting in home visits. This has been a great way for us to get feedback on how to provide better care for our patients and better employment for our caregivers. If you would like us to come to you or your family members house for a visit, please call the main line at 407 - 270 - 5501 so we can get a visit scheduled!

Another friendly reminder for our caregivers that we have a \$500 referral bonus program! If you refer a nurse to Atlantic Care Services, they are hired, and they work 40 hours, \$500 will be added to your next paycheck! You can call the main line at 407 - 270 - 5501 for more information.

*Amanda  
Soto*

Congratulations to Amanda for being chosen as our January caregiver of the month! Amanda has been working in our Orlando region for a little under a year now. She is described as “the sweetest person ever” by our scheduling team. She always clocks in and out on time and always completes her daily shift notes. She has been extremely helpful when it comes to picking up shifts, even at the last minute. Her kindness and dedication does not go unnoticed! Thank you for being such an outstanding part of our team Amanda!
