## Nurses Week

We are so excited to be celebrating Nurses Week from May 6th through May 12th! We are inviting all of our nurses to lunch on Monday May 6th from 12-2pm and breakfast on Friday May 10th from 7:30-9:30am! These will both be held at our Winter Park office at 163 E Morse Blvd Suite 210 Winter Park, FL. Throughout the week we will also be hand delivering a gift to each of our nurses at their patients home! At Atlantic Care Services we like to celebrate our nurses every day but this week is going to be extra special!

## Nathaniel's Hope Make 'M Smile

On May 4th we will be participating in the annual Nathaniel's Hope Make 'M Smile event at Lake Eola in downtown Orlando. You will be able to find us at the Health and Sports Zone sponsored by Atlantic Care Services! The festival will have family entertainment, games, characters, animals, food, and over 125 resources that serve the special needs community. # A Matchmaking Moment

We are so excited to introduce you to another one of our nurses, Eric! Eric has been a nurse for 5 years, and has experience working in home health, PACU, and the ICU. His hobbies include going to the movies, playing video games, and reading. One time he got to go to the E.A. headquarters in Maitland, FL after he won a contest for a video game program. He taught himself how to program and code as a fun hobby.

Eric wants patients and their families to know that he approaches every patient with empathy, respect, and understanding. He strives to create a supportive and comforting environment for both patients and their loved ones. Eric believes communication is key, so he always wants to hear questions or concerns someone he works with may have. He deeply values the trust one places in him to provide care and he is committed to ensuring the patients well-being and comfort every step of the way.

“One of the most fulfilling aspects of being a nurse is the opportunity to make a tangible difference in people’s lives every single day. Whether it’s providing comfort to a patient in pain, offering emotional support to a worried family member, or helping someone regain their health and independence, the ability to positively impact others is incredibly rewarding. Nursing is not just a job; it’s a calling driven by compassion and a desire to help those in need” - Eric

Eric is looking for additional hours on Wednesday and Thursday nights. If you are interested in setting up a meet and greet with Eric, please call our main line at 407-270-5501 so we can get one scheduled!

Listed below are available shifts for the month of May, for both adults and pediatrics. If you are interested in any of these shifts, please call the office number at 407-270-5501. Shifts are subject to change and pay rates vary from case to case.
